

THE PINE HILL PARTNERSHIP

A non-profit volunteer organization formed to steward the 300 acre woods of Pine Hill Park.

Through the cooperation and support of the Rutland Recreation Department, the organization has brought about the transformation seen throughout the park.

Partnering and coordinating many local groups, individuals, businesses, schools and agencies, The Pine Hill Partnership has painstakingly formed the park's uniquely diverse and beautiful 16 mile trail system.

Tens of thousands of strenuous man-hours has created the flowy singletrack trails through difficult and rocky terrain. All the pickaxing, shoveling, bridge building, and sineage as been entirely donated by volunteers coordinated through The Pine Hill Partnership

The Pine Hill Partnership would like to thank the following individuals and organizations for their generous support of the efforts to make this park what it is today:
